1.0 Introduction

London Stock Exchange Plc (“**LSE Plc**”), an LSEG business, acting in its capacity as the National Numbering Agency (“**NNA**”) for the United Kingdom and a full member of the Association of National Numbering Agencies (“**ANNA**”), is the sole issuer of Great Britain (GB), Jersey (JE), Guernsey (GG) and the Isle of Man (IM) International Securities Identification Numbers (“**ISINs**”) pursuant to ISO 6166.

LSE Plc shall conduct appropriate due diligence on any request for an ISIN. The determination of whether a security is eligible for an ISIN and whether the requester has supplied appropriate documentation shall be made by LSE Plc in its sole discretion and any such determination shall be final.

LSE Plc shall have no liability in connection with a determination that a security is or is not eligible for an ISIN. The allocation of an ISIN to a particular security is not intended to be and should not be construed as an endorsement of such security, or an opinion as to the legal validity of such security.

LSE Plc does not guarantee the accuracy, adequateness or completeness of any data associated with the ISIN and shall not be liable or responsible for any errors or omissions or for the results obtained from the use of any ISIN.

By submitting a request for an ISIN, the applicant: (a) warrants that it has the legal authority to request an identifier on behalf of the issuer of the security that is the subject of the ISIN; (b) warrants that all information supplied shall be true and correct in all material respects; and (c) acknowledges and agrees to this disclaimer.
